Ministry Highlight

FCC BASKETBALL

This is a ministry that invites 4 year olds - 2nd graders to come and learn basic basketball skills in a positive, Christian environment. Each week during the half time of each game they receive a short and pointed Bible message.

This year we have 198 kids enrolled in the program. After their last game, on March 5th, the graduating 2nd graders will receive an age appropriate Bible.

MOPS has also been very active in this ministry as they are running the concession stand. The proceeds will be used to send them to the MOPS convention where they will receive insights on how to serve more effectively through their current program.

Next Sermon Series: The Unforgettable Life

It sort of feels at times that there are a lot famous people in the world. Their faces are recognizable and their names are splattered in the headlines and tabloids. But we generally live anonymous lives on the world's stage. 6.7 billion people on the face of the earth and most of them would not be recognized if you saw their picture. Similarly, the Bible is like that - there are some personalities that stand out - names that you recognize like Abraham, David, Sampson, Peter. But if you were to look closely, you would notice that there are some fascinating people that lived in the shadows of obscurity.

Our new sermon series, beginning next week, will stir up the stories of some forgotten people in the Bible. By looking at their lives we hope to learn some lessons in how to live an unforgettable life.
