THE BRIDGE CHALLENGE

At the end of last week's Sunday morning worship service, Phil encouraged each person to take The Bridge Challenge. Envelopes were scattered across the stage, each containing 1 of 24 different challenges. 148 people responded by taking an envelope. If you were one who took the challenge, we simply want to encourage you to follow through with it - pray about it, commit to it, then rely on God to empower and equip you to fulfill it. Some of you have yet to open your envelope, which is fine. Only open it when you are ready to commit to it.

So far, we've had a very positive response, with some of you already working toward your challenge. In a couple of weeks we will publish a list of all the challenges, until then keep working on the challenge God gave you. Bridge Challenge envelopes are still available in the church office to anyone who wants to participate.

The purpose of The Bridge Challenge is to help you discover ways you can serve others. It require you to leave your comfort zone and/or completely rely on God to make it happen.

CONNECTING others to Christ. GROWING in the experience it brings. SERVING others in need. CELEBRATING what God is doing in and through your life.

Hello Everyone,

My son, Haddon, and our family have worked together to create a service project for him to complete with kids that includes his love of art. This service project will take place on **Sunday March 13th at 3:00pm** in the FCC gym.

We are raising money to create craft kits for children staying at the Children's Hospital in St. Louis. Haddon specifically would like to donate them to patients in the pediatric oncology department.

Each child who comes for the service project will receive a gallon size bag to fill with craft materials (crayons, glitter pens, paper, stamps, glue, etc.). Then the child will make a card to place inside his/her bag. After they are finished making a craft kit, there will be snacks, and the basketball court will be available for play. We are asking for a \$5/child donation to help cover the costs of the craft kits.

If you would like to participate, please email me (jolissalybarger15@gmail.com), and tell me how many children you will be bringing and how much money you plan to donate. This way I can purchase items for the correct amount of craft kits. The money will not be collected until the day of the service project.

Thank you, Joli Lybarger (548-4493)
